Professional Bio:

Salam Atwi is a dedicated and accomplished educational leader with extensive expertise in quality assurance, professional development, and English Language Arts. As the Director of Quality and Professional Development and Head of the ELA Department at Dubai International Private School – Garhoud, Salam has been instrumental in overseeing curriculum development, ensuring regulatory compliance, and driving strategic school improvement initiatives. With a robust background in educational management, Salam mentors teachers, analyzes student data to enhance academic performance, and designs innovative teaching methodologies. Additionally, as a certified

school inspector and freelance educational consultant, Salam collaborates with educational institutions across the UAE, specializing in curriculum development and compliance. Fluent in both English and Arabic, Salam is committed to fostering educational excellence and continuous growth in diverse learning environments.
